AI Inside for a New Era.
One platform. Endless Possibilities.

Rakuten Cloud - Infrastructure to AI Ops in Minutes

Rakuten Symphony will showcase its Rakuten Cloud Infrastructure to AI Ops in Minutes solution at MWC 2025. This solution enables a private cloud based on a Kubernetes platform that is optimized for running AI and storage intensive applications. Demonstrations at Booth #2C70 will highlight features such as on-demand deployment and automated lifecycle management of analytics pipelines leveraging 5th Gen Intel Xeon Scalable Processors.
