

# AI Ready Computing Built for AI Labs & Future Learning

## PDLMT-225-AI

### Empowering the Next Generation of AI Innovators

Wherever space is limited and performance matters, the [Panache AI Mini Tower PC PDLMT-225-AI](#) brings powerful capability to the smallest places. Driven by the Intel® Core™ Ultra 5 processor 225 with integrated Intel® Graphics and Intel® AI Boost NPU, this compact system delivers workstation-class AI inferencing while optimizing space and energy efficiency.

Support for up to four simultaneous displays—2x HDMI, 1x DisplayPort, and 1x USB4® USB Type-C® port—enables rich, multiscreen productivity that enhances user experience and reduces cognitive strain.

Designed for AI-ready enterprise computing at scale, the Panache AI Mini Tower PC PDLMT-225-AI helps organizations efficiently deploy intelligent applications and unlock real-time insights across diverse edge AI use cases, enabling students to explore Artificial Intelligence, Machine Learning, Computer Vision, and Generative AI applications.

### Key Features

Multi-Workload

Low Latency &  
High Throughput

Ultrafast  
Connectivity

AI Ready

### Intel Products & Technology
