

BCD All-in-One NVR: Secure, Scalable, and Effortless Video Management

vEnterprise-Grade Security, Built for SMBs

BCD's All-in-One NVR simplifies video surveillance with an integrated 24-port PoE switch, 80TB raw storage, and hybrid cloud compatibility. Designed for SMBs, it deploys in under 30 minutes, minimizing IT burden.

With BCD's Harmonize RMM plug-in, businesses can monitor system health remotely, mitigating downtime and failures. Harmonize Bridge ensures seamless hybrid cloud adoption to enhance scalability, and offers built-in disaster recovery to the cloud. BCD solutions are cyber-hardened and include TPM technology to enhance data protection and security.

Backed by 24/7/365 live support and a 2-year Keep Your Hard Drive Warranty, BCD delivers a scalable, secure, and cost-effective solution—enterprise-level performance without complexity.
