Unveiling OPS Innovation – See It Live

Visit our booth to witness the joint launch of a new platform OPS product, co-created with Intel and our key customers. Powered by the latest Intel® Core™ Ultra Series 3 processors, it boasts 180 TOPS AI performance, leverages advanced Intel technologies like OpenVINO™ Toolkit and Intel® oneAPI Toolkit, and is optimized for education and corporate collaboration scenarios. Join us for this exclusive reveal and an engaging live demo!
