

Power Unleashed. Limitless Versatility.

HiStone X intel

Fast, Intuitive, and Powerful — Luna X is Where Performance Meets Timeless Design

The [HiStone Luna X \(HK568/HK568A\)](#) is a smart and versatile POS system that combines high performance with refined design. Powered by 12th/13th Gen Intel® Core™ i3 processors, it delivers fast and efficient performance for seamless operation. Its sleek touchscreen display offers 180° rotation and adjustable height, providing maximum flexibility and comfort for every interaction. Luna X can be configured for counter or self-service use and supports single or dual-screen setups, adapting seamlessly to different business environments. Its 15.6" widescreen POS display delivers clear, intuitive interaction. Built for speed, reliability, and ease of use, it enhances both operational efficiency and the customer experience. With its minimalist design and practical functionality, Luna X is a powerful retail solution that merges style, adaptability, and performance, turning the point of sale into a point of engagement.
