

Effortless Efficiency. Unmatched Convenience.

HiStone X intel®

Transforming Retail Efficiency

Retailers today face rising labor costs, long checkout lines, and growing demand for seamless customer experiences. The [HiStone HS330 Self-Checkout System](#) addresses these challenges with powerful performance, elegant design, and intelligent functionality.

Featuring a 23.8" true flat capacitive touch screen, the HS330 delivers smooth, intuitive interaction. Equipped with 12th and 13th Gen Intel® Core™ i3/i5 processors with integrated graphics for fast, efficient performance, it also includes membership and facial payment cameras for secure, streamlined transactions. Flexible installation options — wall mount or floor stand — adapt to various retail spaces.

With a slim, modern aluminum alloy frame, easy maintenance, and fast serviceability, the HS330 minimizes downtime and enhances operational efficiency. It seamlessly combines aesthetics, performance, and intelligent payment capabilities — helping retailers boost throughput, elevate customer experience, and reduce costs.
