Secure, Scalable, and Simple: BCD's All-in-One

Small businesses need powerful security without complexity. BCD's All-in-One solution delivers hybrid cloud connectivity, secure video storage, network connectivity, and seamless deployment—all in one device. With a built-in 24-port PoE switch, setting up a 24-camera system takes under 30 minutes. Harmonize Bridge enables hybrid cloud storage for scalability, while Harmonize Bridge disaster recovery ensure business continuity. Plus, remote monitoring via Harmonize RMM keeps maintenance simple. Backed by 24/7/365 support and a 2-year NBD Keep Your Hard Drive Warranty, BCD makes security easy, scalable, and future-ready for growing businesses.
