

## Application Requirements

In addition to the criteria listed in the tables below, each application must meet the following conditions:

- Use Case relevancy (*application performs AI tasks or functions on an edge device applicable to one or more AI use cases*)
- Performs an AI workload (e.g. *Agentic AI, Generative AI, computer vision, etc.*)
- Commercially deployable application

Foundational		Advanced	
Intel HW components		Intel® AI Edge Systems	
<p><b>Minimum Criteria:</b> Verify your application runs on at least (1) Intel Architecture hardware component listed below:</p> <ul style="list-style-type: none"><li>• Intel Atom® x7 processor or newer</li><li>• 13th Gen Intel® Core™ processors or newer</li><li>• Intel® Core™ Ultra processors series 1 or series 2</li><li>• 5th Gen Intel® Xeon® Scalable processors or Intel® Xeon® 6 processors</li><li>• Intel® Xeon® D-1800 or D-2800 processor product family</li><li>• Intel® Xeon® E-2400 processor product family</li><li>• Intel® Xeon® W-2400 or W-3000 processor product family</li><li>• Intel® Arc™ B-series graphics</li><li>• Intel® Gaudi® AI accelerator</li></ul>		<p><b>Minimum Criteria:</b> Onboard your application to run on a qualified AI Edge system. There are three options available:</p> <ul style="list-style-type: none"><li>▪ <a href="#">Intel® AI Edge Systems catalogue</a></li><li>▪ <a href="#">Intel Foundational Dev Kits</a></li><li>▪ <a href="#">Edge AI Testbed</a></li></ul> <p>Refer to the <a href="#">AI Edge Application Ready Verification</a> document to learn more.</p>	
Intel SW ingredients (optional)		Intel SW ingredients (optional)	
<p><b>Minimum Criteria:</b> Use (1) or more Intel SW ingredients in your application.</p> <p>Refer to the <a href="#">Open Software Platform</a> document to see the full list of qualified SW ingredients.</p>		<p><b>Minimum Criteria:</b> Use (2) or more Intel SW ingredients in your application.</p> <p>Refer to the <a href="#">Open Software Platform</a> document to see the full list of qualified SW ingredients.</p>	
			
<p>To qualify for the Accelerated level you first need to fulfill all the Foundational or Advanced level requirements.</p>			
Accelerated			
Commercial Partnership Engagement			
<p><b>Minimum Criteria:</b> To meet this level, we ask you to also provide the information listed below.</p> <ul style="list-style-type: none"><li>▪ The commercial readiness and geographic availability of your application.</li><li>▪ Information about existing relationships with Original Equipment Manufacturers (OEMs) or Original Design Manufacturers (ODMs).</li><li>▪ Information about downstream partners / sales channels, including Distribution Partners or Value-Added Resellers.</li><li>▪ Success stories that highlight your innovation and demonstrate measurable improvements in business value.</li></ul>			

To qualify for the Accelerated level you first need to fulfill all the Foundational or Advanced level requirements.

## Incentives

(subject to change)

All participants qualify for our Premium SW Enabling Services. Upon submission and evaluation of a project, partners are eligible for incentives as outlined in the table below.
